As we mark our 250th anniversary, we welcome all members of the Friends' School community—past and present—to celebrate this occasion with us.

From 09.00am there will be a range of school fixtures and matches featuring pupils who have represented Friends' in days gone by. Throughout the morning you can avail of food stalls as well as entertainment for younger children.

The focus will move to the front of school in the afternoon, with activities including chat shows featuring Old Scholars and former members of staff, exhibitions, tours of school and refreshments in the wonderful setting of the Friends' School grounds. You will also be able to join us for the official opening of our legacy projects, the outdoor performance space and the legacy trail, with an opportunity to find your brick on the Old Scholars' Walk!

Don't miss out on this chance to reconnect, reminisce, and enjoy a day of celebration!
